World Kuk Sool Association, Inc. (WKSA)
founded by In-Hyuk Suh - originally founded as *Kuk Sool Won™* (KSW) ~ 國術院
responsible for running off numerous dedicated individuals who spent years supporting the association and who rightfully earned their own high standing in the martial arts community

While the number of Kuk Sool "offshoots" is quite large, the limited sampling below lists some of the more prominent amongst them (*Kuk Sool Kwan* purposely omitted):

United Mirae ~~Kuk~~ Sool ⇢ now changed to **United Mirae Mu Sool**
founded by Sung-Jin Su who exited WKSA as 9th Dan
eldest son & supposed heir of In-Hyuk Suh who was too old to be included when legally changing name from "Su" to "Suh" (wife & all other sons did get their surname changed)
Mirae = "future" ergo making it the *Kuk Sool of Tomorrow*

Kung Jung Mu Sul Federation
founded by Soon-Tae Yang who exited WKSA as 8th Dan
adopted the name from one of 3 cited sources of Kuk Sool (Royal Palace martial arts)

World Mu Sool Won
founded by Byung-In Lee who exited WKSA as 9th Dan
note that Lee's wife and the current wife of In-Hyuk Suh are sisters
merely changed "kuksool" (national art) to "musool" (warrior art) in naming his organization
~ *kuksool* is short form of *Hankuk Musool*, i.e. Korean Martial Arts

World Han Mu Do Association
founded by Dr. He-Young Kimm who exited WKSA as 8th Dan
former Sec'y General of WKSA and is a scholastic professor of hapkido technique & history
it is jokingly hinted that *HanMu* is the unused portion of *Hankuk Musool* once extracting *kuksool* even though that's not how those contractions necessarily work

National Korean Martial Arts Association
founded by Rudy Timmerman who exited WKSA as 7th Dan
one of original few non-Koreans to be promoted to master level in KSW (R. Barry Harmon, Jay Lee, Marlin Sims, being the others)

International Jun Tong Mu Sool Kwan
founded by John B. Murphy, a top student of In-Sun Seo
Vice President Dickson Kunz exited WKSA as 7th Dan
Secretary General Joshua Paszkiewicz inherited roots of *Bul Mu Do* via Buddhist rituals, with *Bul Mu Do* being created by one of kuksool's founding fathers, namely Han-Chul Lee

United Martial Science Federation
founded by Marlin Sims who exited WKSA as 7th Dan
one of original few non-Koreans to be promoted to master level in KSW
selected to run the kuksool club at West Point Military Academy

Han Guk Mu Sool Association (UK)
council led (i.e. leaderless) group who appointed Philip Holmes as top ranking instructor
Philip Holmes exited WKSA as 8th Dan, he is also a licensed acupuncturist & herbalist
although originally intended to be only for the United Kingdom, it now has schools and instructors in other countries, including USA (Marlin Sims named top ranking instructor for USA branch with Dr. Jay Lee as head of an advisory council)

World Kido Federation
founded by In-Sun Seo who exited WKSA as 9th Dan
former president of KSW in S. Korea & younger brother of In-Hyuk Suh (Seo & Suh are merely different methods of romanizing the Korean surname of 서 ~ hanja: 徐)

Hanminjok Hapkido Association
founded by In-Sun Seo who exited WKSA as 9th Dan
Seo managed to commandeer the *Korea Kido Association* after it was more or less abandoned (an entity originally built for martial art corporate advancement from a political perspective; previously non martial artists were always elected to serve as president) – this institution was surreptitiously taken over during a period of corporate registration renewal, thus requiring Seo to register under a completely new name in order to conduct business under South Korean (ROK) government regulations
